

Everyone has a story to tell

Tell us yours...

Thank you for your interest in the Future Hospital Programme. We would very much like to hear more about your work.

The Future Hospital Programme aims to develop and implement the RCP vision for the future of medical care in hospital and community settings. At the heart of the programme is our partnership network of peers, experts, academics, organisations and patients all committed to the realisation of the future hospital.

We are keen to grow this network and showcase examples of where best and innovative practice to improve patient care is taking place. We are doing this by asking people to share their stories to be featured on the RCP website as exemplars of FHP principles and recommendations in action.

Please complete the form below and return to futurehospital@rcplondon.ac.uk, or Future Hospital Programme, Royal College of Physicians, 11 St Andrew's Place, London, NW1 4LE

Your project

| 1. | Who is/was the lead physician/healthcare professional for the project? Please provide a short biography of yourself or team. If possible please also provide a picture of yourself and/or team. | | |
|----|--|--|--|
| | | | |
